An Elite Formula

Elite is a revolutionary formula designed to improve your overall well-being. By harnessing the power of super herbs, antioxidants and nutrients, Elite helps to support the immune system, reduce stress, aid cognitive function, help sustain balanced hormones, and promote emotional well-being, all while offering younger-looking skin.

Live Your Best Life

With Elite's fusion of incredibly advanced superior antioxidants, age-defying botanicals and powerful nutrients, your body will be well-equipped to stand strong. We all need better digestion to boost our immune systems, better hydration, improved nutrient absorption, less stress, less fatigue and a better night's sleep to live an elite life – thankfully, you don't have to look far because Elite can address all of these needs.

Frequently Asked Questions

What does Elite do?

- Serves to support nerve cells
- Supports cognitive function and mental performance
- Helps reduce stress and elevates mood
- Supports exercise recovery
- Helps support a strong immune system
- Promotes healthy skin
- Hormone balance support
- Low-glycemic and gluten-free

What are the key ingredients in Elite and what do they do?

Astaxanthin

- Boosts the body's immune system and supports organ, connective tissue and skin health with 3,000 times the strength of resveratrol and 800 times the strength of CoQ10
- Considered one of the most powerful antioxidants in nature
- Shown to fight free radicals 6,000 times better than vitamin C, 550 times better than vitamin E, and 40 times better than beta carotene
- Helps protect brain, heart and joint health
- Supports healthy endurance and energy levels
- Rejuvenates skin from within by improving skin moisture levels and elasticity

Ashwagandha

- Often called the "ultimate mood food," ashwagandha helps reduce cortisol, the body's stress hormone
- Helps decrease fatigue and increase energy while also promoting a restful night's sleep
- Supports cognitive health and brain function, including memory
- Helps maintain healthy blood sugar levels already in the normal range
- Supports collagen, joint and bone health

- Rejuvenates skin from within by improving skin moisture levels and elasticity

Indian Gooseberry

- A super-antioxidant beauty food that helps inhibit the breakdown of collagen and hyaluronic acid, leading to smoother, more hydrated skin
- Reduces wrinkles and dryness
- Supports cognitive function and mental performance
- High in phytochemicals and antioxidants that help fight free radicals which cause oxidative damage
- Helps maintain healthy cholesterol levels and support cardiovascular health
- Supports healthy liver function

L-Lysine

- An essential amino acid that promotes skin health through the formation of collagen and supports good bone health by increasing calcium absorption
- Helps support workout recovery
- Helps reduce stress-induced anxiety
- Supports a healthy gut

Aloe

- Delivering essential amino acids to your body, aloe supports healthy functioning of the immune and digestive systems, and also promotes positive muscle and joint function
- Promotes the absorption of nutrients
- Contains vitamins, minerals, trace metals, and 18 of the 21 amino acids
- Contains positive flora which help the entire digestive tract
- Provides enhanced antioxidant support

Frequently Asked Questions

Holy Basil

- Serves to support nerve cells
- Cognitive-enhancing antioxidant that helps normalize stress hormones and enhance adrenal function
- Supports healthy immune function

Evening Primrose

- Aids in overall skin health
- Can help with irritability
- Supports women's monthly cycle

Red Clover

- Helps boost collagen production and reduce skin aging
- Provides menopausal support
- Positively affects prostate health

What is the recommended dosage of Elite?

Mix one packet into 16 oz. of water and shake well. Enjoy once per day.

Can I take Elite if I am allergic to one of the ingredients or am taking medication?

Always consult a healthcare physician prior to beginning any new dietary supplement if you have allergies or are taking medication.

Can I take Elite if I am pregnant or breastfeeding or have a medical condition?

Always consult a healthcare physician before beginning any new dietary supplement while pregnant or breastfeeding or if you have a medical condition.
